

NAMIC CHAPTER OFFICERS' ROLES AND RESPONSIBILITIES

OVERVIEW

NAMIC Chapter Officers make a **two-year commitment** to serve in their roles and are responsible for managing and executing the following for their respective chapter:

- Chapter Annual Planning & Management
- Chapter Fundraising, Event Planning & Programming
- Chapter Governance

These responsibilities are essential to the efficient operation of the chapter and ensuring that it provides adequate value to its primary stakeholder – the member. This section will elaborate on each area to clarify the philosophical and operational expectations for current and prospective leaders of NAMIC Local Chapters.

1. Chapter Annual Planning & Management

Chapter Officers should:

- Develop an annual business plan, in partnership with NAMIC National, defining:
 - The value proposition
 - The plan to deliver value
 - To whom value will be provided (i.e. target market, market focus, market segmentation, etc.)
 - How much will be needed to provide value
 - How will funds be developed to provide value (e.g. fundraising strategy)
 - What will be utilized to foster growth and retention (i.e. membership drives, lunch & learns, webinars, breakfast series, etc.)
- Manage the Chapter's financial and volunteer resources to ensure that they are being efficiently and effectively utilized to further the mission of NAMIC and meeting the Chapter's objectives determined in the annual business plan
- Work with NAMIC National to annually review the Chapter's performance and the Member Satisfaction Survey and take necessary steps to improve in areas that are identified.

2. Chapter Fundraising, Event Planning & Programming

Chapter Officers should:

- After ascertaining what it will cost to execute the annual events selected by the Chapter's leadership, develop and execute an annual fundraising plan, as part of their annual business plan, to support local chapter activities, identifying potential donors and supporters
- Develop Chapter programs and monitor their performance to ensure that they are aligned with NAMIC's mission and providing sufficient value to chapter members
- Ensure that the chapter holds an annual membership meeting
- Attempt to hold one volunteer appreciation/recognition event, if possible.

3. Chapter Governance

Chapter Officers should:

- Assume fiduciary responsibility for the chapter, ensuring that it is fiscally sound and operating:
 - Legally
 - Ethically
 - Responsibly
 - Practically
- Provide NAMIC National with financial quarterly reports
- Ensure that proper financial controls are in place

In addition to these three core responsibilities, NAMIC Chapter Officers should also develop and maintain healthy relationships with NAMIC's members within their chapter's footprint. Research has shown that NAMIC Chapters are one of the central motivators for NAMIC members joining and renewing their membership.

CHAPTER OFFICERS & COMMITTEES OVERVIEW

NAMIC Chapter Officers should:

- Conduct themselves professionally and be loyal to the interests of NAMIC, the Chapter and all relevant stakeholders.
- Remain objective and consider the interests of PMI, the Chapter, their stakeholders and the profession
- Be respectful, cordial and mindful of other cultures, ethnicities and social norms
- Conduct all official meetings in a manner consistent with applicable law, Bylaws, and rules of parliamentary procedure
- Conduct the affairs of the Chapter in good faith, responsibly, respectfully, fairly, and honestly
- Conduct themselves in a professional manner, even when it is not reciprocated
- Be honest in their communications
- Make commitments and promises, implied or explicit, in good faith
- Be respectful of others' views and opinions and express any disagreement with others' views and opinions in a professional manner
- Demonstrate transparency in their decision-making process and in the handling of all chapter funds and property
- Provide equal access to information to those who are authorized to have that information

NAMIC Chapter Committees

Chapter Officers may find it necessary to create committees. Chapters are not limited in the number of committees that they may create, per the Colorado Revised Non Profit Corporation Act. Each committee chair or co-chair, although appointed by the Board, is subject to the same governance requirements as a board member and, in the interest of NAMIC, must follow the same guidelines regarding conflict of interest, code of conduct, and confidentiality. Committees can function in a variety of areas, however NAMIC recommends that chapters have the following:

- Programming Committee
- Marketing Committee
- Membership Committee
- Fundraising Committee

Each chapter should report their committees to the National Office, including the contact information for the chairs and co-chairs. We encourage those who are unable to run for a chapter board position to consider

volunteering for a chapter through any of these respective committees.
