

Dear NAMIC Members:

We are proud to announce the relaunch of NAMIC's L. Patrick Mellon Mentorship Program (LPMMP), a members-only professional development initiative. Since 1993, NAMIC has prioritized mentorship, and we seek to continue that legacy.

The L. Patrick Mellon Mentorship Program offers three components:

- **Mentoring Circle** - Monthly coaching sessions intended to build a community and overcome professional obstacles
- **Mentoring Corner** - Quarterly training and success webinars meant to strengthen industry savvy and deliver career development strategies
- **Mentoring Minute** - Weekly text advice, inspiration, and reminders to encourage high performance

Past LPMMP participants have praised the program for providing the opportunity to ***see new career possibilities, polish their skills, increase their visibility, broaden their network, and attain professional/personal achievement.*** Don't miss out!
