

## Leadership Seminar

The NAMIC Leadership Seminar assembles top academics and practitioners from across the country to provide a leadership development experience for professionals still in the comparatively early stages of their careers. The program was created to increase participants' effectiveness at work, to provide them with the important insights and tools for strategic career planning, and to transform high-potential middle managers into effective leaders.

### Eligibility:

- Manager, supervisor, or new director (less than 2 years)
- A strong performer
- Motivated to succeed and aspiring to higher positions with increasing visibility and responsibility
- Endorsed by his/her company to participate in the NAMIC Leadership Seminar
